

CLAIM

We claim a new and distinct variety of clematis plant,  
5 substantially as herein shown and detailed, as a distinct  
and novel clematis variety due to its abundant white flowers  
with good keepability, attractive long lasting foliage and  
compact growth, year round flowering under glasshouse  
conditions, suitability for production from softwood  
10 cuttings in pots, durable flowers and foliage which make the  
variety suitable for distribution in the floral industry.
